			Books Have A Natural RhythmBicycle Rider Has That Rhythm It Is the Story of Marshall Taylor One of the WorldS Fastest Bicyclists At the Turn of the Century He Also Happened To Be Black the Color of MarshallS Skin Is Mentioned Only In the Epilogue and Is Apparent Only On the Jacket and In A Few of the Illustrations Some People Will Applaud This Subtlety and Others May Be Puzzled Or Offended Regardless This Is An Exciting Story Whether Or Not It Realistically Reflects Events In MarshallS Life Is Questionable But Also Academic Obviously Parts of the Story Are Fictionalized and Exaggerated It Seems Unlikely That A Young Boy Who Has Never Been On A Racing Bicycle Or Beaten His Older Brother Could Triumph Over An Entire Lineup of Professional Riders For Example Such License However Is Surely Preferable To A Dull Dry But Accurate Chronology and It Keeps the Book Moving At A Pace
